### ***Welcome David Primrose***

Revd. David Primrose joins us today to lead and preach at our three morning services. David is part of the Lichfield Diocese Transforming Communities team. The Transforming Communities Department celebrates the diverse ways in which local churches engage with their communities. They encourage us to remember that our local church is a community in transformation, and shares in the transformation of its local

community. We look forward to welcoming David to St Nicholas.

### ***Great News!!***

South Staffordshire District Council has been awarded Dementia Friendly Status, and part of their case was the excellent ecumenical dementia friendly church work that has taken place around Codsall, Bilbrook & Perton. They are committed to work further with all churches and faith communities in the District in the coming year to further promote the ministry that we can share with those affected by dementia in our communities. Mike Bridgewater works part-time promoting dementia friendly churches in Stoke and Staffordshire. He's keen to run our four session training course in the deaneries. He and I would be pleased to hear how we can support you in this ministry.
