

Application for a Memorial to be placed in ST. NICHOLAS' CHURCHYARD, CODSALL

The church welcomes with love those who have been bereaved. It seeks to ensure that its churchyards will be fitting resting places for the mortal remains of their departed loved ones both now and in the future.

Decisions about what may be placed in a churchyard cannot be a matter of private choice. Written permission from the parish priest or the diocesan chancellor is needed before any memorial can be placed in a churchyard. The Chancellor's churchyard regulations explain what can and what cannot be authorised by a parish priest. The Parish Churchyard Regulations for St. Nicholas' Churchyard, Codsall, agreed by the Chancellor, adapts these regulations for the local situation.

Before completing this application form you are strongly recommended to read the Parish Churchyard Regulations for St. Nicholas' Church, Codsall, which can be found on the parish website: www.stnicholascodsall.org.uk or obtained from the parish office (01902 847786)

Note: To allow proper time for reflection no application for permission to erect a memorial can be made within six months of the date of burial.

I apply for consent to introduce the memorial described in this application into the churchyard and declare that:

- all the statements to be inscribed on the memorial are accurate
- if consent is given the design of the memorial will not be altered before it is erected
- I/we acknowledge that I/we will be responsible for the upkeep of the memorial

The Churchyard Regulations do not permit **any items** to be placed on a grave or on a gravestone or base, apart from flowers which are placed in an integral flower holder. St. Nicholas' Churchyard Committee has a policy of clearing the churchyard of dead flowers, old wreaths and discoloured artificial flowers twice a year. At this time, any objects which have been placed on graves or headstones will be removed, and be available for collection. The regulations state that graves may not be artificially raised, given a border or have plants set within them.

I agreed to abide by the Churchyard Regulations. I understand that the only monument that is permitted in St. Nicholas' Churchyard is the memorial headstone or tablet. I agree to the right of the Churchyard Committee to remove all items that are not permitted by the regulations from the Churchyard.
